

Laboratory Technician – Organic Analytical Services

The Research and Productivity Council (RPC) is NB's provincial research organization, a research & technology organization that offers analytical services and applied research. In business since 1962, we serve over 1000 clients annually from our locations in Fredericton, St. George and Moncton, New Brunswick. You can visit our website at www.rpc.ca.

This is your opportunity to be part of a vibrant and growing innovation leader. RPC has a position available for a Lab Technician in our Organic Analytical Services department. The successful candidate will join a multi-skilled group of scientists and technicians in a state-of-the-art analytical services laboratory. The position is ideally suited to an individual with an attention to detail, capable of working in a self-directed manner, and possesses good communication skills appropriate to working in a fast-paced commercial laboratory setting cooperatively with a group of technicians.

Duties:

- Preparing a wide range of samples submitted for analysis and performing established analytical procedures.
- Performing daily QA/QC checks.
- Maintaining and calibrating laboratory equipment.
- Operating a computer and associated software used to enter and update data.

Candidates must have:

- Diploma or BSc. in Chemistry, Medicinal Chemistry, Environmental Chemistry, Chemistry Technology or an equivalent combination of education, training and experience.
- Ability to work independently as well as within a team setting.
- an aptitude for multi-tasking and working effectively in a fast-paced, laboratory environment.
- an attention for detail, pride in their work.
- Previous lab experience would be considered an asset.

This is a permanent Fulltime position. Normal working hours are from 8:15am to 4:30pm. Salary range is \$40,404 - \$47,398. RPC offers a generous compensation package including pension plan, employee assistance program, top-up for maternity leave, wellness rebates and more.

APPLY

Please email a covering letter and résumé quoting reference #OASLT0622 to careers@rpc.ca on or before **June 24, 2022**.

Review of applications will begin as soon as possible and will proceed until a suitable candidate is identified. Only those applicants chosen for an interview will be contacted. RPC is committed to the principle of employment equity.
