

Laboratory Technician II – Organic Analytical Services

The Research and Productivity Council (RPC) is NB's provincial research organization, a research & technology organization that offers analytical services and applied research. In business since 1962, we serve over 1000 clients annually from our locations in Fredericton, St. George and Moncton, New Brunswick. www.rpc.ca

This is your opportunity to be part of a vibrant and growing innovation leader. RPC has three (3) Laboratory Technician II positions available: 1 in Cannabis, 1 in Cannabis Pesticides, and 1 in Compressed Air and Gas. The successful candidate will join a multi-skilled group of scientists and technicians in a state-of-the-art analytical services laboratory. Working as part of the larger team the Lab Tech II is a key interface between Lab Supervisors and Lab Technicians. Lab Tech IIs interact with clients, oversee and perform testing and reporting, and assist with supervision and coordination of staff in the lab. We are an ISO 17025 certified operation so familiarity with QA/QC practices is desirable.

DUTIES

- Sample Analysis including reporting results using various laboratory instruments
- Client relations
- Supervision of staff and work assignments
- Orientation and co-ordination of training for new employees.
- Ordering supplies
- Adherence to Standard Operating Procedures (SOPS)
- Troubleshooting instrument breakdowns and performing preventative maintenance.

CANDIDATES MUST HAVE:

- a Diploma or B.Sc. with a concentration, in chemistry/biochemistry or an equivalent combination of education, training and experience.
- Experience with GCMS, HPLC and/or LCMS
- Ability to work independently as well as within a team setting.
- an aptitude for multi-tasking and working effectively in a fast-paced, laboratory environment.
- an attention for detail, pride in their work.
- Previous lab experience of 3+ years

These are permanent fulltime positions. Normal working hours are from 8:15am to 4:30pm. Salary range is \$49,000 to \$57,000 and will be commensurate with qualifications and experience. RPC Offers a generous compensation package including pension plan, employee assistance program, top-up for maternity leave, wellness rebates and more.

APPLY

Please email a covering letter and résumé quoting reference #OAS0922 to careers@rpc.ca on or before **September 2, 2022**. Please indicate if you prefer a specific role, otherwise candidates will be considered for all three positions.

Review of applications will begin as soon as possible and will proceed until a suitable candidate is identified. Only those applicants chosen for an interview will be contacted.

RPC is committed to the principles of employment equity, diversity and Inclusion.
