

Microbiology Lab Technician - Fredericton

The Research and Productivity Council (RPC) is NB's provincial research organization, a research & technology organization that offers analytical services and applied research. In business since 1962, we serve over 1000 clients annually from our locations in Fredericton and Moncton, New Brunswick. You can visit our website at www.rpc.ca.

RPC Fredericton has a position available for a **Lab Technician** in our Microbiology Services operation within Bioscience department. The successful candidate will join a multi-skilled group of scientists and technicians in a state-of-the-art analytical services laboratory. The position is ideally suited to an individual with an attention to detail, capable of working in a self-directed manner, and possesses good communication skills appropriate to working in a fast-paced commercial laboratory setting cooperatively with a group of technicians.

DUTIES:

- Prepare samples submitted for analysis and perform established analytical procedures.
- Perform daily QA/QC checks.
- Maintain and calibrate laboratory equipment.
- Operate a computer and associated software used to enter and update data.
- Weekend shifts are required on a scheduled basis

CANDIDATES SHOULD HAVE:

- B.Sc. in science, diploma, or equivalent with a concentration in microbiology, biochemistry or equivalent combination of training and experience
- Ability to work independently as well as within a team setting.
- an aptitude for multi-tasking and working effectively in a fast-paced, laboratory environment.
- an attention for detail, pride in their work.
- Previous lab experience would be considered an asset.

This is a permanent Fulltime position. Normal working hours are from 8:15am to 4:30pm. RPC Offers a generous compensation package including pension plan, employee assistance program, Top up for Maternity Leave, Wellness rebates and more. Salary range for this position is \$41,626-\$48,828.

TO APPLY:

Please email a covering letter and résumé quoting reference **#MLLT1023** to careers@rpc.ca on or before **November 10, 2023**.

Review of applications will begin as soon as possible and will proceed until a suitable candidate is identified. Only those applicants chosen for an interview will be contacted.

RPC is committed to the principles of employment equity, inclusion and diversity.
